

GMM BENCH FUNDRAISER

The Garibaldi-Meucci Museum is holding a Bench Fundraiser to defray the costs being incurred by extensive renovations, internally and externally, to the Museum and its grounds, in addition to the expenditures for the Venice/New York Tower project's concrete foundation and expanded brick walkway paving plan.

Therefore, we are seeking financial support from any benefactors to dedicate a bench at the cost of \$2,500. The donation includes a bronze plaque that can be inscribed as indicated by the respective donor.

We sincerely hope you will give this fundraiser your most attentive consideration by donating a three-foot section of a six-foot bench and advancing the cause of the fundraiser.

WE LOOK FORWARD TO A TIME IN WHICH YOU CAN ENJOY A DAY AT THE MUSEUM WHILE SITTING ON YOUR COMFORTABLE PERSONALIZED BENCH AND ADMIRING THE VENICE/NEW YORK TOWER, A MAGNIFICENT WORK OF ART, ON THE MANICURED GROUNDS OF THE GARIBALDI-MEUCCI MUSEUM
